

TEXAS TRANSPORTATION COMMISSION

PALO PINTO County

MINUTE ORDER

Page 1 of 1

FORT WORTH District

Near Possum Kingdom Lake, Palo Pinto County, on PR 36, the State of Texas acquired an easement interest in certain land by an instrument recorded in Volume 320, at Page 581, of the Deed Records of Palo Pinto County, Texas.

In accordance with V.T.C.A., Transportation Code, Chapter 202, Subchapter B, the Texas Transportation Commission (the commission) may recommend the exchange of an easement encumbering real property, acquired but not needed for a highway purpose, as whole or partial consideration for another easement encumbering real property needed for a state highway purpose.

The right of way easement, encumbering the real property described in Exhibit A (the "tract"), is no longer needed for a state highway purpose. The value of the easement encumbering the tract is \$116,810. The commission finds \$116,810 to be a fair and reasonable value of the state's right, title, and interest in the easement.

The easement interest, encumbering the real property described in Exhibit B (the "parcel"), is needed for a state highway purpose and will be conveyed to the state by MaBe Lakeview, LLC ("MaBe"). The value of the easement encumbering the parcel is \$66,563.

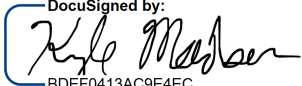

MaBe has requested that the right of way easement encumbering the tract be released to MaBe in exchange for the right of way easement encumbering the parcel. MaBe will be required to pay the state the \$50,247 difference in value in cash at closing.

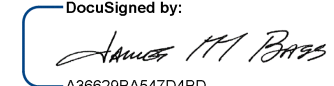

It is the opinion of the commission that it is proper and correct that the state release the right of way easement encumbering the tract to MaBe as consideration for the right of way easement encumbering the parcel and receipt of the \$50,247 value difference from MaBe.

IT IS THEREFORE ORDERED by the commission that the right of way easement encumbering the tract is no longer needed for a state highway purpose. The commission recommends, subject to approval by the attorney general, that the governor of Texas execute a proper instrument releasing all of the state's right, title, and interest in the right of way easement encumbering the tract to MaBe Lakeview, LLC in exchange and as consideration for the right of way easement encumbering the parcel and receipt of the \$50,247 in value difference to the state.
